Tom Overs appointed Vice President & General Manager, Heatcraft Australia & New Zealand

Heatcraft Worldwide Refrigeration announced on the 6th January 2014 that Tom Overs has been appointed to the role of Vice President & General Manager, Heatcraft Australia and New Zealand. In addition to his extensive sales and marketing leadership experience, Tom brings 20 years of expertise in product management, aftermarket service and parts distribution to Heatcraft Australia.

Tom replaces Bill Moltner who has returned to Dallas to lead a new business opportunity in the Commercial HVAC division of Heatcraft's parent company, Lennox International.

"Tom is an individual who is passionate about satisfying customer needs and his experience and track record of success in his various senior leadership roles within the Lennox International organisation position him well to continue to drive growth within the Heatcraft Australia & New Zealand business" said David Moon, President and Chief Operating Officer - Heatcraft Worldwide Refrigeration.

With a network of over 70 wholesale outlets and distribution branches offering a broad range of HVAC&R systems, refrigerant, replacement parts and services, Heatcraft Australia is the premium wholesaler to the commercial HVAC&R industry in Australia and New Zealand.
