

Pricing Changes Effective – 30th March 2020 UPDATE RE: COVID-19

To our Valued Customers,

Kirby appreciates the challenging economic circumstances and the downstream impact resulting from the COVID-19 pandemic.

To help support you and your customers, **we have chosen to defer changes to the list price of Kirby Branded and Select Gas2Go Refrigerant products for a two month period.**

This change means that the list price changes for the aforementioned products will now become effective June 1st, 2020. **Some Kirby Guardian Evaporator list pricing has been updated as at the 30th March 2020 due inconsistency in the base pricing.*

Our planned catalogue price update for a number of other products is in effect from the 30th March, 2020 as scheduled.

New pricing can be seen in Smart@ccess or made available by your Kirby sales representative from the 30th March, 2020.

If you are interested other ways that our team can assist you at this time please contact your sales representative or local branch on 13 23 50.

Wishing you all the best and hoping that you stay safe and well at this challenging time.

Kind regards,

Brett Hedge
National Sales & Marketing Manager
