

## Smart Access System Updates November 2020

---

Dear Customers,

We trust that you have enjoyed some of the new features in Smart Access and we appreciate your patience with this whilst we bring more updates online.

We are pleased to advise that the functionality to download customer pricing is now available for all customers. Please see the following update regarding this and other pending updates to Smart Access;

- **Product / Price Download – Now Available**
- Financial Statements – Available Late November
- Refrigerant Products for Online Orders / Availability – Available December
- Gas Activity Statements – Available December

Further communication will be available via Smart Access or your sales representative as these facilities come online.

For any concerns regarding this communication, please contact your sales representative or local branch on 13 23 50, alternatively please email enquiries to [info@kirbyhvacr.com.au](mailto:info@kirbyhvacr.com.au).

Kind regards,

Brett Hedge  
National Sales & Marketing Manager
