

Price Adjustments – 1st May 2021

To our valued customers,

Due to further commodity price increases, there will be adjustments to our copper and insulation pricing effective 1st May, 2021.

The product lines affected are;

Product Range	Change
Hard Drawn Copper Products	Various %
Pair Coil	Various %
Soft Drawn Copper Products	Various %
Insulation	8 %

We encourage customers to access your updated 'Net' and 'List' pricing via Kirby smart@ccess and/or make contact with your sales representative to get the details on the changes as they are available.

All customers can gain access to our smart@ccess portal by registering through www.kirbyhvacr.com.au or making contact with your local representative.

It is important to note that Kirby proactively reviews prices and publishes pricing changes via our website; <http://www.kirbyhvacr.com.au/en-nz/newsroom/price-notifications>.

Kind regards,
