

Catalogue Price Update – 5th of July 2021

To our valued customers,

Kirby will have a catalogue wide price update that will take effect on the 5th of July 2021.

Changes are being made as result of shipping costs and the price of components materials through local and international vendors.

Products affected will be across a range of categories and we encourage all customers to contact your sales representative for more details and/or access your updated 'Net' and 'List' pricing via Kirby smart@ccess following the changes on the 5/7/2021.

All customers can gain access to our smart@ccess portal by registering through https://www.kirbyhvacr.com.au/component/docman/doc_view/439-smart-access-registration-form-2020 or making contact with your local representative.

It is important to note that Kirby proactively reviews prices and publishes pricing changes via our website; <http://www.kirbyhvacr.com.au/en-nz/newsroom/price-notifications>.

Kind regards,

Brett Hedge
National Sales & Marketing Manager
