**Know someone who will thrive in our environment? We are looking for talented people - referrals are welcome!**

Should you wish to be considered for one of the above roles, please send your CV or expression of interest to the relevant contact person listed above.

**CUSTOMER SERVICE REPRESENTATIVE:**

We are looking for an energetic, self-motivated, Customer Service Representative who is passionate about delivering exceptional customer service.

Skills required:

- General sales experience.
- Current forklift license preferred or willing to learn.
- Preferably experienced with an in-store sales system.

**FIELD ENGINEER:**

We are looking for an energetic, self-motivated, experienced Field Engineer who has a strong engineering and sales knowledge to provide technical support and product advice to our internal and external customers.

Skills required:

- Tertiary qualifications in an Engineering or equivalent experience acquired in the HVAC&R industry.
- Have the ability to train and provide instruction to others.
- Have a positive, professional and proactive attitude.
