Know someone who will thrive in our environment? We are looking for talented people - referrals are welcome!

Should you wish to be considered for one of the above roles, please send your CV or expression of interest to the relevant contact person listed above.

CUSTOMER SERVICE REPRESENTATIVE:

We are looking for an energetic, self-motivated, Customer Service Representative who is passionate about delivering exceptional customer service.

Skills required:

- General sales experience.
- Current forklift license preferred or willing to learn.
- Preferably experienced with an in-store sales system.

SALES / FIELD ENGINEER:

We are looking for an energetic, self-motivated, experienced Field Engineer who has a strong engineering and sales knowledge to provide technical support and product advice to our internal and external customers.

Skills required:

- Tertiary qualifications in an Engineering or equivalent experience acquired in the HVAC&R industry.
- Have the ability to train and provide instruction to others.
- Have a positive, professional, and proactive attitude.
