

## ELIGIBILITY

The Kirby Apprentice Fund CO2 Training Scholarship opportunity is targeted at 4<sup>th</sup> year apprentices that are looking to extend on their existing knowledge of the trade and further themselves with an understanding of future/natural technologies.

To be eligible for the scholarship, you must meet the following requirements.

- You must be registered in the Kirby Apprentice Fund.
- You must be currently enrolled in an approved TAFE or approved RTO refrigeration-based trade course.

## SCHOLARSHIP DETAILS

- This Kirby Apprentice Fund CO2 Training Scholarship offer is strictly limited to 15 placements only in Sept 2025.
- The scholarship consists of a three (3) day, CO2 Safety and Systems Technology Training experience, conducted at the award-winning Beijer Ref Academy, Bankstown Aerodrome NSW. The program consists of;
  - CO2 Safety and CO2 Repair and Service Systems Training conducted by SCM REF AU and Superior Training Centre Pty Ltd (RTO ID Number 41122)
  - Refrigeration Systems Controls Training, conducted by Copeland and Danfoss
  - New Refrigerants Training, conducted by Beijer Ref
  - Australian Refrigeration Council Green Scheme Accreditation (2 years).
- Two intakes in 2025 for two courses to be held in Sydney, Australia. Second course conducted **23<sup>rd</sup>, 24<sup>th</sup>, 25<sup>th</sup> September 2025**.
- Recipients must be available to undertake the CO2 training course at the nominated time.
- The CO2 Training Scholarship will be applied to the CO2 course fees, up to 3 days accommodation during the course program, meals and hotel transfers to and from the nominated training venues.
- The scholarship does not include travel to and from Sydney, flights for interstate recipients, or airport transfers to the hotel.
- The scholarship contribution is not transferable or redeemable for cash.

Any scholarship awarded is on the basis that the recipient attends and completes the 3-day program as outlined. Any failure to attend due to negligence may result in the course costs charged back to the Apprentice's nominated employer.

## HOW TO APPLY

1. Applications for the September 2025 Kirby Apprentice Fund CO2 Training Scholarships are now open and close 5pm (AEST), 31 July 2025.
2. Complete the application form below and email it to Kirby HVACR Pty Ltd, via [training@kirbyhvacr.com.au](mailto:training@kirbyhvacr.com.au) by the closing time and date. Attach all required supporting documents to your application.
3. If your application is received after the closing date, is incomplete or does not meet the requirements set out in the scholarship eligibility terms, it will not be considered.
4. By submitting your scholarship application form, you and your employer accept the scholarship terms and conditions and have taken to have read them.
5. Kirby HVACR will convene a panel to assess all valid applications. Applications will be assessed on merit, based on your responses in your application and the scholarship eligibility requirements. The decision of the panel will be final, and no correspondence about the decision will be entered into.
6. All applicants will be notified of the outcome. If your application is successful, you will be notified within three weeks of the closing date.
