

GAS2GO® CYLINDER SERVICE RATE CHARGE SCHEDULE

The Gas2Go® Industrial and Refrigerant gas cylinder fees for service are outlined in this cylinder service rate charge schedule as referenced in the Kirby and Beijer Ref Australia Terms and Conditions of Sale and Hire and Credit Application.

All pricing shown is net price, GST must be added where applicable.

Cylinder Service Rate for Daily Cylinder Service Charge:

Industrial cylinders including but not limited to Carbon Dioxide, Nitrogen, Gas2Find, Refrigerant and CO2 Test Kits, Acetylene and Oxygen are charged a daily rental fee with no rent-free period:

Table 1.

Cylinder Type	Size (Water capacity in L)	Product Code	Rental / Day
Industrial Cylinder	D (7-10L)	INDCYLSERV	\$0.56
Industrial Cylinder	E (20L)	INDCYLSERV	\$0.56
Industrial Cylinder	G (50L)	INDCYLSERVL	\$0.59
Industrial Cylinder	Manpack (12 x 50L)	INDCYLSERVH	\$6.30

Refrigerant cylinders incur a daily rental charge fee after a 30-day free rent period:

Table 2.

Cylinder Type	Size (Water capacity in L)	Product Code	Rental / Day
R32 Refrigerant Cylinder	Small (12.5L)	HCCYLSERV32	\$0.38
Refrigerant Cylinder	Small (12L)	HCCYLSERV	\$0.30
Refrigerant Cylinder	Medium (22L)	HCCYLSERV	\$0.30
Refrigerant Cylinder	Large (65L)	HCCYLSERV	\$0.30
HREFTEST-KIT	Two X 2 Ltr	HREFCYLSERV	\$2.00
HC02TEST-KIT	2 Ltr	HREFCYLSERV	\$2.00

Illustrative examples of cylinder service charges

Example 1: Customer takes a G size industrial cylinder 26th March (31-day month) and returns it on the 4th April the following month. Cylinder Service Charge payable is $(\$0.59 \times 10 \text{ days}) = \$5.90 + \text{GST}$

Example 2: Customer takes a D size industrial cylinder 3.00pm on 7th day of the month and returns it at 10.00am on 8th day of the same month. Cylinder Service Charge payable is $(\$0.56 \times 2 \text{ days}) = \$1.12 + \text{GST}$

Example 3: Customer takes a refrigerant cylinder 26th March (31-day month) and returns it on the 4th April the following month, 10 days after the cylinder is taken. Cylinder Service Charge payable is \$0 as the cylinder was returned within the 30-day free rent period.

Example 4: Customer takes a refrigerant cylinder 3.00pm on 1st day of April and returns it at 10.00am on 8th day of May. Cylinder Service Charge payable is $(\$0.29 \times (38 - 30) \text{ days}) = \$2.32 + \text{GST}$

Example 5: Customer takes a refrigerant or CO2 Test KIT 3.00pm on 1st day of April and returns it at 10.00am on 8th day of May. Cylinder Service Charge payable is $(\$2.00 \times (38) \text{ days}) = \$72.00 + \text{GST}$

Service Rate for Ready4Pumpdown®

Ready4Pumpdown® – dedicated program of providing access to cleaned cylinders for the express purpose of temporary refrigerant storage whilst performing system maintenance. Ready4Pumpdown® cylinders are charged a daily cylinder service fee after a 30-day free rent period as outlined in Table 2.

The service rate for providing clean Ready4Pumpdown® cylinders is outlined in Table 5.

Table 3.

Cylinder Type	Size (Water capacity in L)	Product Code	Cylinder Cleaning Charge (List Price)
Ready4Pumpdown Cylinder	Medium (22L)	HMPD	Price on application
Ready4Pumpdown Cylinder	Large (65L)	HLPD	Price on application
Ready4Pumpdown Cylinder	Half Tonne	-	Price on application

Service Rate for Ready2Reclaim®

Ready2Reclaim® – dedicated reclaim refrigerant program. It completes the requirement for the contractor as part of the refrigerant management process to destruction under the RRA program. Ready2Reclaim® cylinders are charged a daily cylinder service fee after a 30-day free rent period.

The service rate for providing Ready2Reclaim® cylinders is outlined in Table 4.

Table 4.

Cylinder Type	Size (Water capacity in L)	Product Code	Rental / Day
Ready2Reclaim R32 Flammable	Small (12.5L)	HSRR32F	\$0.38
Ready2Reclaim Cylinder	Small (12L)	HSRR	\$0.30
Ready2Reclaim Cylinder	Medium (22L)	HMRR	\$0.30
Ready2Reclaim Cylinder	Large (65L)	HLRR	\$0.30

Cylinder Service Rate for Lost or Damaged Cylinders Charge

The buyer is responsible for any loss or damage to the Cylinder or stillage caused. The replacement value will be varied from time to time by Kirby and Beijer Ref Australia to reflect the cylinder's current replacement value with such revisions published on the monthly cylinder fee invoice.

A cylinder or stillage will be charged as damaged or loss or deemed loss as outlined in the Kirby and Beijer Ref Australia Terms and Conditions of Sale.

Note: Cash sale accounts with a valid Arctick AU license are charged an upfront cylinder fee.

Table 5.

Cylinder Type	Size (Water capacity in L)	Product Code	Replacement Charges (Net)
Industrial Cylinder	D (7-10L)	CYLLOST-IS CYLLOST-AS CYLLOST-CS CYLLOST-OS	\$300.00
Industrial Cylinder	E (20L)	CYLLOST-IM CYLLOST-CM CYLLOST-SM	\$450.00
Industrial Cylinder	G (50L)	CYLLOST-IL CYLLOST-CL CYLLOST-SL	\$600.00
Industrial Cylinder	Manpack (12 x 50L)	CYLLOST-IH	\$15,000.00*
Refrigerant Cylinder	Tiny (5)	CYLLOST-T	\$245.45
Refrigerant Cylinder	Small (12L)	CYLLOST-S	\$150.00
Refrigerant Cylinder	Medium (22L)	CYLLOST-M HCCYLLOST-M	\$200.00
Refrigerant Cylinder	Large (65L)	CYLLOST-L HCCYLLOST-L	\$250.00
Refrigerant Cylinder	Half Tonne	CYLLOST-H	\$5000.00
Refrigerant Cylinder	One Tonne	CYLLOST-B	\$6000.00

*Repairable damage to manifold assembly or cylinder cradles will be charged at the repair cost. If the damage is considered not to be repairable then replacement cost will apply.

Stillage Service Rate for Daily Cylinder Service Charge:

“Stillage” means the metal pallet which may be supplied to the Buyer upon purchase of any Gas2Go® or other Goods; All stillages are charged a daily rental fee with no rent-free period:

Table 6.

Cylinder Type	Size	Product Code	Rental / Day
Steel Stillage	Full Pallet	HSTILLAGE	\$2.75

(Day means - calendar day or part thereof and is applicable on weekends and public holidays).

The Day Cylinder or Stillage Service Charge may be varied from time to time by Kirby and Beijer Ref Australia with such revisions published on the monthly cylinder fee invoice.

The new Daily Cylinder Service Charge would be applicable to any Cylinder outstanding at that time.

Stillage Service Rate for Lost or Damaged Cylinders Charge

Table 7.

Cylinder Type	Size	Product Code	Replacement Charges (Net)
Steel Stillage	Full Pallet	HSTILLOST	\$795.00

Service Rate for Refill Protection Device (RPD) Charge

Refrigerant cylinders returned with the RPD damaged or removed incur a cylinder cleaning and replacement charge 'RPDCHARGE' of \$155.00.

A cleaning fee is not applicable on Industrial Gas Cylinders

Service Rate for Cylinder Valve Cap Charge

Refrigerant cylinders that are returned without the cap incur a charge 'CAPCHARGE' of \$15.00.
